

# WE WANT YOUR HELP

With the Primary & General Elections!

Have you ever considered being a Poll Worker?

Would you like to help ensure the conduct of fair and accurate elections and fill a vital role in the democratic process? If so, this paid position may be for you!

As a Poll Worker you will prepare the precinct by setting up voting equipment, greet voters, verify registrations and provide voters with appropriate ballots. At the end of the day, Poll Workers close the precinct and prepare election materials for delivery to the Election office.

Please contact us if you are people-oriented and enjoy serving the public; if you are available to attend a training class prior to Election Day; if you are available to work long hours on Election Day without leaving the polling place; if you are a US citizen and registered to vote; and if you have transportation to and from the polling place. You also must have the ability to read and write English, follow instructions and maintain composure under stress.

---

## Blaine County Election Office

206 First Avenue South Suite 200

Hailey, Idaho 83333

Phone: (208) 788-5510
