

**Wood River Substation to Ketchum Substation 138 kV  
Transmission Line  
Conditional Use Permit Application Form  
Attachments, Exhibits and Explanations**

**Application Information:**

- (11) a. Septic Permit - *N/A*
- b. Proof of ownership – *Private (existing) easements where utilized are attached and included with Lot and Parcel maps below (light green).*
- c. Vicinity map - *See attached Overview Map*
- d. Lot and parcel map - *See attached Hailey to Ketchum maps Sheets 1 – 40 showing boundary lines of rights of ways and jurisdictions. Detailed map images have been submitted electronically.*
- e. 300' radius ownership list - *See attached list and compare to parcel maps above (Electronic file of this list will also be provided).*
- f. Site Plan - *See attached Plan and Profile maps (along with electronic file) showing existing and proposed electrical structure locations. New structures will replace existing in relatively the same locations. Existing utilities that may be affected by project should be addressed in agency response comments and then will be physically located after a final route has been approved.*

Following items are not included on site plan:

- existing building elevations and floor plans
  - drainage plan
  - grading plan (structures holes will be bored)
  - traffic access and circulation plan (access will be existing roads)
  - parking areas (none)
  - outdoor lighting (none)
  - landscaping (none unless required by CUP)
  - fencing (none unless required by CUP)
  - refuse and service areas (none)
  - signs (none)
- g. Standards of Evaluation responses *were previously addressed.*
- h. Land Uses adjacent to the project vary. *Beginning at the Wood River Substation and going northerly to the Ketchum Substation, adjacent uses include residential, light industrial, commercial, residential, agricultural and recreational.*
- i. Appropriate Agency Reviews are to be determined by staff. *Letters were sent to the cities of Hailey, Ketchum and Sun Valley, Blaine County*

**Disaster Services, Blaine County Emergency Communications, Blaine County Recreation District, Cox Cable Company, Idaho Foundation of Parks and Lands, Idaho Transportation Department, Intermountain Gas Company, Sun Valley Resorts and Sun Valley Water and Sewer. Comments received as of the submittal of this application are included.**

- j. Receipt for Notice Boards *(to be attached)*
- k. Receipt for application fee and postage *(to be attached)*
- l. N/A
