Re: Animal Shelter of Wood River Valley  
Croy Canyon Ranch CUP Water Rights

Dear Tom:

The Animal Shelter of the Wood River Valley (ASWRV) presently holds Water Permit #37-22436 which is a groundwater permit for municipal purposes on the Croy Canyon property with an allowed diversion rate of .64 cfs. ASWRV also holds water right #37-8650 which allows irrigation from groundwater of 1.5 acres with a diversion rate of .05 cfs. The place of use for that water right is currently in the Broadford Highland Subdivision. It is the intent of ASWRV to work with IDWR to develop the municipal permit as well as to transfer the place of use of the irrigation to the Croy Canyon and/or use it as mitigation to allow for irrigation along with commercial purposes.
