

PUBLIC INFORMATION MEETING
BLAINE COUNTY
TRANSPORTATION PLAN
Open House - Public Invited

Wednesday, January 25, 2012 ☞ 5:00 – 7:00 p.m.
Blaine County Courthouse Meeting Room

Blaine County is holding an open house to receive public comment on the countywide Blaine County Transportation Plan.

The purpose of the meeting is to inform the public of the transportation planning process and seek public comments regarding transportation concerns and needs throughout the county.

If you are unable to attend, please send your comments to:

General Project Description

Funding of \$50,000 was awarded to Blaine County from the 2010 Local Rural Highway Investment Program (LRHIP) administered by the Local Highway Technical Assistance Council (LHTAC). These funds will be used for a new countywide Blaine County Transportation Plan and to establish both a 5-year and long range Capital Improvement Program (CIP). The Planning Area includes all of Blaine County, except the cities within the county, State roadways, Forest Service roads and BLM roads. Keller Associates has teamed with Galena Engineering in the development of this Transportation Plan.
