CONDITIONAL USE PERMIT Standards of Evaluation

Pursuant to Chapter 25, Section 3, Title 9 (Zoning Ordinance) of the Blaine County Code

An applicant for a conditional use permit shall provide written responses to the Standards of Evaluation contained herein below in sufficient detail to allow the Commission or the Board to evaluate the proposed action relative to said standards. In reviewing these applications, the Commission is required to find adequate evidence to support approval or conditional approval, or in the event such information is unattainable (or unavailable), deny the application.

The Commission or the Board shall review the particular facts and circumstances of each proposed conditional use in the terms of the following standards and shall determine if there is sufficient evidence to make findings that the proposed action:

1. Will, in fact, constitute a conditional use as established for the zoning district involved;
Please see attached responses to Standards of Evaluation 1 through 10, typical.

2. Will be harmonious with and in accordance with the general objectives or with any specific objective of the comprehensive plan and/or this title;
See attached.

3. Will be designed, constructed, operated and maintained to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and that such use will not change the essential character of the same area. All outdoor lighting shall comply with chapter 29A of this title;
See attached.

4. Will not be hazardous or disturbing to existing or future neighboring uses;
See attached.

5. Will be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewer and schools; or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately any such services;
See attached.

6. Will not create excessive additional requirements at public cost for public facilities and services and will not be detrimental to the economic welfare of the community;
See attached.

7. Will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any persons, property or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare, dust, odors, vibration, water pollution or safety hazards. Water pollution includes impact to surface and ground water and potable water sources. When the proposed use involves a potential contaminant source or potential contaminant as set forth in appendix A of this title, on file in the county, and is located within a wellhead protection area, the commission shall consider the impact of the project on potable water sources and determine whether there is sufficient information in the record to demonstrate that the project has been designed to mitigate adverse impact to potable water source(s);

See attached.

8. Will have vehicular approaches to the property which shall be designed as not to create an interference with traffic on surrounding public thoroughfares;
See attached.
 9. Will not result in the destruction, loss or damage of a natural, scenic or historic feature of major importance; and
See attached.
 10. If the applicant or landowner with respect to an application for a conditional use permit under this chapter is the state of Idaho, or any agency, board, department, institution, or district thereof, the commission or the board, in addition to all other applicable standards and criteria hereunder, shall take into account the plans and needs of the state, or any agency, board, department, institution or district thereof, as required by Idaho Code section 67-6528.
See attached.
- B. Additional Standards: Additional standards for applications for a conditional use permit in the floodplain overlay district are set forth in section 9-17-7 of this title. (Ord. 2011-01, 1-18-2011; Ord. 2010-06, 5-25-2010; Ord. 2006-13, 10-26-2006; Ord. 2001-03, 3-19-2001; Ord. 96-3, 4-8-1996; Ord. 77-5, 3-28-1977, eff. 4-7-1977)

Conditions of Approval

Pursuant to §9-25-5 (A) of the Blaine County Code, conditions which may be attached by the Commission include, but are not limited to, those which will:

- Minimize adverse impact on other development.
- Control the sequence, timing and duration of development.
- Assure that development is maintained properly.
- Designate the exact location and nature of development.
- Require the provision for on-site or off-site public facilities or services
- Mitigate foreseeable social, economic, fiscal, and environmental effects.
- Require more restrictive standards than those generally required in the Zoning Ordinance.
