County Commissioner: Larry Schoen

Reference: Camp Rainbow Gold (CRG)

Dear Larry,

I am a full time Hailey resident living in East Fork Canyon.

Last week a neighbor mentioned that a meeting was to occur at the YMCA to discuss a proposal that Camp Rainbow Gold has decided to build and to develop a very

sizable permanent footprint "Base Camp" on an existing residential property.

As an interested party and as a resident of East Fork I attended this "unpublicized" meeting.

This meeting was not publicized in the newspaper nor was I personally contacted or notified by Camp Rainbow Gold. Until last week I never knew that CRB was "secretly"

considering to request a change to the "Residential Zoning" of East Fork for "Commercial" use for this unpublicized "Base Camp".

Project and I hope that you, the Commissioners, will keep all of us informed.

Warm Regards,

Brian Ross
