Dear Mr. Schoen,

I am a resident of Triumph and have some big concerns about the proposed building site for Camp Rainbow Gold and am strongly urging that through this process any plans are fairly presented to P&Z. Something of this magnitude would greatly impact the way of life I have chosen to live with my husband and four daughters in our quiet little community. At the very least I believe we have a right to go through P&Z's standards for evaluation. I built my home 15 years ago as a resident in a quiet mountain town and would not have imagined that such a huge commercial organization would be allowed all the way out here.

Thanks for your time,

Jessica Wolcott
