Subject: East Fork Rd. Camp Rainbow Gold

Hi Jacob, Angenie and Larry, Briefly, I wanted to connect and voice my thoughts & concerns regarding Camp Rainbow Gold's ambitions and goals. The East Fork Rd. is not a safe road now, the safety factor, especially the further east you drive, is difficult at best in the winter. We do not believe the East Fork Canyon is the right place for CRG, not now, not ever. We feel there are better choices for this great camp. Thank you in advance for your careful consideration. Terry and Gretchen Palmer
