Oppose development of East Fork Ranch

I am writing to voice my opposition to the proposed development of East Fork Ranch, as proposed by Camp Rainbow Gold. This development would require a quite drastic and unprecedented change in legal land use and zoning. As a twenty year resident of East Fork/Willoway subdivision I oppose any change in existing zoning. Environmental impacts from this giant proposed project would be significant, detrimental, and impossible to mitigate. I further insist that this case go through proper channels, which means Planning and Zoning must address land issues and hold public meetings, prior to any opinion by Blaine County Commissioners.

I hereby ask to receive all notices of any meeting and hearings on this subject, via email.

Sincerely,

Suellen Wagner
