9:30 CONTINUED LEES GULCH ROAD VALIDATION HEARING: Pursuant to Idaho Code Section 40-203A, the Board of Blaine County Commissioners will continue a public hearing to consider the validation of a portion of Lees Gulch Road west of Bellevue from the intersection with Townsend Gulch Road to the western edge of Lot 2, Lees Gulch Subdivision in Government Lots 2 and 3 of Section 2, Township 1N, Range 18E, B.M. In other words, the validation proceeding will address only the portion of Lees Gulch Road crossing private property, not the portion on BLM land.

Materials relevant to this validation proceeding will be available for inspection at the Commissioners' Office in the Blaine County Courthouse and at the Land Use Office in the Annex Building Monday thru Thursday between 8 a.m. and 6 p.m. These materials include any materials submitted since the January 14th hearing and will include a second supplement prepared at the direction of the Board by Stevens Historical Research Associates. To the extent possible, these materials also will be posted to the County's website and made available at the following link: <https://www.co.blaine.id.us/199/County-Commissioner-Hearing-Application->

Consistent with the time frame established at the January 14th hearing, the deadline for additional, written public comments and documentary evidence has passed. Verbal comments, limited to three minutes, may be made at this July 8th hearing.

At the conclusion of the hearing, the Board may deliberate and vote on the proposed validation or take the matter under advisement. Upon making a final decision, a written decision and order will be drafted and approved at a later date. Except by order of the Board, no additional evidence will be accepted after the close of the hearing.
