

## MEMO

TO: Blaine County Planning & Zoning  
CC: Jonathan Neeley  
FROM: John Gaeddert  
DATE: March 17, 2021

SUBJECT: Lateral 75 Ranch Subdivision Possible Phasing Request

The preliminary plat for Lateral 75 Ranch Subdivision (L75R) includes 13 TDRs, which is 5 TDRs shy of the full complement needed for the 24 lot subdivision. Consistent with Blaine County Code §10-4-5A.1 and the precedent of Morada Farms in which the 3<sup>rd</sup> phase was specifically dependent upon the acquisition of TDR's, please accept the attached draft phasing agreement for L75R.

In the event deed of development right instruments for the remaining 5 TDRs are not acquired prior to the County Commissioner's approval of the Findings for the L75R preliminary plat, the County and Applicant will enter into a phasing agreement. Subject agreement will permit 2 final plats to be prepared by the Applicant, which would consist of 19 lots in Phase 1 and 5 lots in Phase 2. See attached draft phasing agreement and plan for additional detail.

Please let me know if you have any questions.

**PHASING AGREEMENT  
Lateral 75 Ranch Subdivision  
Blaine County, Idaho**

This Phasing Agreement (this "Agreement") is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2021, by and between BLAINE COUNTY, IDAHO, a political subdivision of the state of Idaho ("County") and FLYING SQUIRREL PRODUCTIONS, LLC, an Idaho limited liability company ("Applicant").

**RECITALS**

- A. Applicant has filed with County an application for subdivision approval of the Lateral 75 Ranch Subdivision, which is a re-subdivision of the real property that is legally described as Lots 1, 2 and 3 of Gregory Ranch Subdivision, according to the official plat thereof filed in the real property records of Blaine County, Idaho (the "Subdivision"); and
- B. County has approved the preliminary plat of the Lateral 75 Ranch Subdivision, which approval allows the final plats for the Subdivision to be recorded in two separate phases, subject to the execution of this Phasing Agreement; and
- C. The parties desire to set forth the manner in which the final plats for each of the two phases of the Lateral 75 Ranch Subdivision may be signed by County and recorded by Applicant.

**AGREEMENT**

NOW, THEREFORE, the parties hereby agree as follows:

1. **Preliminary Plat Approval.** County granted preliminary plat approval for the Subdivision pursuant to the Findings of Fact, Conclusions of Law and Decision dated \_\_\_\_\_, 2021.
2. **Phasing of Final Plats.** The preliminary plat approval allows Applicant to prepare, County to approve and execute, and Applicant to thereafter record final plats for the Subdivision, in two (2) separate phases, as follows:
  - a. Phase One consisting of Lots 1-19 and all Parcels within the Subdivision.
  - b. Phase Two consist of Lots 20-24 of the Subdivision. No building permits will be

issued for any Phase Two lots until the final plat for Phase Two is recorded.

3. **Conditions of Approval.** Prior to recording the final plat for each of phases of the Subdivision, Applicant will demonstrate compliance with all conditions of approval for the Subdivision imposed by County (with respect to the portion of the Subdivision within the applicable phase). The final plat for Phase Two may be submitted for approval at any time, including concurrently with Phase One, provided that all requirements for the development of the lots in Phase Two have been met, including the acquisition of five (5) transferred development rights in accordance with the Blaine County Zoning and Subdivision Ordinances.
4. **Final Plat Deadline.** The final plats for all phases of the Subdivision must be recorded on or before three (3) years for Phase One and ten (10) years for Phase Two from the date of County's approval of the preliminary plat for the Subdivision, unless further extended by County.
5. **Attorneys' Fees.** If any party initiates or defends any legal action or proceeding to interpret or enforce any of the terms of this Agreement, the substantially prevailing party will be entitled to recover any costs and attorneys' fees reasonably incurred therein, in addition to any other remedies available at law or equity.
