Dear County Commissioners,

Please preserve Quigley Canyon!

Keep open space wild and untouched for future generations to enjoy and to sustain habitat for the wildlife that is home to Quigley Canyon. We need to respect, honor and appreciate the gem that this valley is and stop encroaching into every canyon! There are plenty of lots available in neighborhoods set up for growth. Fill those areas first! And PLEASE, NO BUILDING ON HILLSIDES!!!

And what about water? Where would the water come from?

**I urge you to deny 24 estate homes, 6 lots up to 5 acres on Quigley Hillsides and 18 lots up to 1 acre in the Nordic trail system.**

Please **keep our open space open**. Keep the farm fields, gravel roads, Nordic ski trails. DO NOT PAVE QUIGLEY ROAD!

PROTECT the wildlife habitat, winter range and migration routes and unscarred hillsides!

STOP this frantic craze for greed and take responsibility! Help your citizens appreciate where they live and teach them to conserve the natural environment that brought them here in the first place.

Take a breath and really think about what is best for this valley. Manage growth - don't encourage urban sprawl.

Keep it wild!

Thank you!
