Hello.

My name is Janet Starr. I've lived in the Wood River Valley for 29 years. During this time, I've watched open spaces disappear, vehicle traffic increase, and trails becoming more and more crowded.

I ask that you, my representatives, deny the development of Quigley Canyon and fight to preserve what is left of our wilderness area. At some point we must say "No" to turning our valley into another crowded mountain development. Please help us preserve our wild and beautiful valley.

Sincerely,

Janet Starr
