Subject: [EXTERNAL]Quigley Canyon

Dear Commissioners,

I am an 81 year old woman who has lived in Blaine County for 60 years, and in Hailey since 1975. I walk my dogs out Quigley road or trails almost every morning and it makes me sad to think that it might soon be ruined if the developers get their way. The proposal to move the road and to put more mega mansions in its place will completely destroy the landscape and the beauty of the canyon, not to mention opening it up to further development in the few canyons left in this county. The development is being financed by out of state money so they have little interest as to what it does to the land and the community as a whole only caring about making their own pockets deeper. I am hoping you do the right thing for Blaine County and deny the current proposal for this development. It makes me sad....

Fondly,

Chris Keirn
