Dear County Commissioners,

you are in a unique position to preserve one of the treasures for the working class people of our valley. Please do not allow the proposed paving and rerouting of Quigley road for the benefit of a few in exchange for the loss of so many. While I understand that the landowner has been trying to work with the community to provide amenities in Quigley Canyon, this special rezoning and moving of the road was not part of the initial proposal and is unwarranted. How can the purchase of land give you the right to move a county road that would be to the detriment of so many people and wildlife?

PLEASE...

DENY 24 ESTATE HOMES: 6 LOTS UP TO 5 ACRES EACH ON QUIGLEY ROAD HILLSIDES AND 18 LOTS UP TO 1 ACRE IN NORDIC TRAIL SYSTEM SAVE OPEN SPACE, FARM FIELDS, WALKING ON GRAVEL ROAD WITH FRIENDS AND DOGS NORDIC SKI TRAILS DON'T MOVE OR PAVE QUIGLEY ROAD PROTECT WILDLIFE HABITAT, WINTER RANGE AND MIGRATION ROUTES UNSCARRED HILLSIDES

Thank you,
