Hi and Happy Monday ~

I am circling back on this item - the response I have received is from the GGWD counsel, suggesting that this proposed change / subdivision be discussed with IDWR.

Thanks a million for including us in the conversation and being afforded a little bit of heads up, Sam...super super helpful - thank you.

Very Best Regards,
Marybeth

Hello,

I am working on a new subdivision in Blaine County, and county staff has requested that I obtain comment from the Galena Groundwater District. Attached is a copy of the preliminary plat for your review. Please let me know if you have any questions or comments, and we look forward to your review.
