Re: Access to 112 Keystone Road, Blaine County, ID

Dear Commissioners,

The access road to Bruce Thompson's property at 112 Keystone, Defiance Lode 77, Blaine Co., ID, crosses USFS property for approximately 430'. Mr. Thompson is proposing to improve this section of road to meet the North Blaine County Fire District and City of Sun Valley Fire Department approved access requirements. The applicant proposes to widen the existing road surface from 10' to 20' – 0" with attendant grading and drainage adjacent to this road.

The USFS would consider authorizing this proposed alteration to the existing access road with the condition that the application for Site Alteration Permit for the proposed residence, driveway, and road access on Bruce Thompson's property at 112 Keystone, Defiance Lode 77, Blaine Co., ID, is approved by the Blaine County Planning and Zoning Commission and a building permit is issued.

Mr. Thompson will need to apply for a special use permit to authorize these improvements on National Forest system. An appropriate level of analysis will need to occur prior to authorization.

Please feel free to contact me at (208) 622-0083, if you have any questions regarding this project.

Sincerely,

KURT NELSON  
District Ranger
