[You don't often get email from roandroy@icloud.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

We are opposed to Quigley Ranch and we are opposed to closed door mediation.

We do not need anymore growth out Quigley. What has been allowed has been too much. Please concentrate on affordable housing and leave what little land is left for the moose, deer and elk. We do not need more of them moving into town and bringing more mountain lions with them.

Thank you for letting us share our concerns.
