You don't often get email from jackthinson@gmail.com. [Learn why this is important](#)

We hope you're well. My wife and I just moved to Old Haley from Ketchum with our 1.5 yr old son and number 2 on the way - we believe Hailey, for many reasons is the right place for us to raise a family.

Quigley has always been a favorite place for us to recreate, but now that we live in Haley, it's our #1 area to hike, run with the dog and baby, cross country ski, etc.

As a young family who uses Quigley several times a week all year to introduce our son to nature, we strongly oppose the Quigley Farms Development.

Before children, it was a great place for us to enjoy, but now that we're parents it's become special.

1. We **oppose mediation and any conversation about Quigley should include the public.**
2. **The community of Blaine County strongly opposes Quigley Ranch and wants development out Quigley canyon to stop at Quigley Farms** – for wildlife, for water, and for recreators.
 - **Hailey P&Z voted 5-1 to deny approval of the design and we believe you should do the same.**

Thank you,

Jack Hinson
