- **Public outcry against Quigley Farms' proposal for additional development is widespread throughout the community.**
- **Development in Quigley canyon should stop at Quigley Farms – for the benefit of inherently valuable open space, wildlife, water conservation, and recreators.**
- **We oppose mediation and any conversations about Quigley that exclude the public.**
- **The community of Blaine County does not want the dirt road to be altered. Access should be within the developer's property.**
- **The County should not allow home and road construction in violation of the Hillside Ordinance.**
- **The P&Z voted 5-1 to deny approval of the design, and you should do the same.**
- **Thank you: Lorna Emdy and Reg Solomon, 211 Pike St., Hailey, ID**
