Dear Angenie and Muffy,

We oppose the proposal of mediation on the Quigley Ranch Development currently being discussed by the Blaine County Commissioners. Any conversation on this controversial proposal has included the public in the past, and should also include the public in the future. Mediation puts any decision behind closed doors.

Although we support the rights of private landowners, it is evident that many residents of Hailey and of Blaine County, including us, strongly oppose the further development of Quigley, for reasons including the importance of wildlife, water and recreation.

We also supported last fall's Blaine County Planning and Zoning 5-1 decision to deny approval of this petition, and feel that the Blaine County Commissioners should do the same and keep the matter before the public.

Sincerely,

**Diane and Jeff Cordes**
