I am very concerned about the Quigley Ranch plan and the negative impacts it would have on the WRV.

Quigley Ranch is a gem of the WRV, and development would impact the wilderness, open space, ski trail, wildlife, walking/biking trails, and our Idaho way of life.

Additionally, I oppose any mediation or discussions about this project that exclude the public voice.

I hope you will follow the recommendation of the planning & zoning commission and deny this development.

Respectfully,
